AUTHORIZED LEAVE

7.01 **Vacation:** Fire fighters shall be entitled to leaves of absence with full pay for vacation periods. All service rendered by a fire fighter prior to the date of a vacation shall be taken into account.
- (4) Credit for vacation leave accumulates during leave with pay except during terminal vacation.

b. **Grant:**

- (1) Vacations are to be scheduled and taken on a calendar year basis. If additional released time for vacations and/or holidays are negotiated in future years, said schedule shall be implemented beginning with January 1, following the effective date of the Agreement unless otherwise specifically set forth elsewhere in this Agreement.

- (2) By October 10, the Assistant Chiefs shall begin contacting fire fighters of their respective platoons in order of seniority based upon their last date of hire as to dates available for vacation purposes.
- (3) Each fire fighter, in order of seniority, shall denote his/her choice of vacation period to the Assistant Chief within one duty shift from the date of contact by said Assistant Chief. The Assistant Chief shall contact the next ranking fire fighter by seniority, until all have denoted their choice. All fire fighters must have made their choice by December 10, or forfeit their seniority rights for the purpose of choosing vacation periods.
- (4) By January 1, the vacation schedule for the upcoming vacation period for each platoon shall be distributed to each fire station.
- (5) Upon request, a fire fighter may divide his/her allowable vacation time in halves or thirds and take each half or third at different times of the year. A fire fighter's vacation time shall be divided in such a manner that each half or third of the allowable vacation time shall be rounded to the nearest whole number, which makes the total of both halves or thirds equal to his/her total allowable vacation time. Such a request by a fire fighter shall not be unreasonably denied by the Fire Chief.

Procedures for splitting vacations shall be in accordance with Section 2, 2.1 of the Fire Department's General Orders. Any changes in this procedure shall be mutually agreed upon between the Fire Chief and the Union Negotiating Committee.

- (6) A legally designated holiday that falls during a fire fighter's vacation shall not be charged against the fire fighter's vacation. This would not be applicable to fire fighters working on any of the three platoon shifts.
- (7) A fire fighter who transfers from one department to another takes with him/her the balance of his/her unused vacation.
- (8) A fire fighter who leaves the employment of the City in good standing and after giving two weeks notice of such termination of employment shall be compensated for vacation leave earned and accrued to the date of separation. A fire fighter who is discharged for cause shall be entitled to the amount of annual vacation leave earned at the time of discharge.
- (9) All earned and accumulated annual leave shall be paid to a fire fighter granted military leave.
- (10) All terminal vacation pay will be determined from the fire fighter's date of hire, and all unused and accrued vacation shall be paid and included in the final paycheck. In computing an odd number of days accrued, computations will be made to the nearest one-half day for purpose of final payment.
- (11) In years when a fire fighter is to be eligible for additional vacation days as set forth in Section 7.03 of this Article, said days shall be scheduled as follows:

- (a) In the year of the completion of the length of service requirement set forth in Section 7.03, each eligible fire fighter shall be permitted the corresponding additional vacation authorization.

Fire fighters completing seven years of service during 1994 shall be permitted to schedule additional vacation-holiday leave as authorized in Section 7.01 during said calendar year.

 134 Hours divided by 8 hours = 17 Calendar days

- c. Fire fighters assigned the eight hour shift (40 hour week), shall receive time off for the holidays cited in Section a., above on the days specified therein.
- d. Fire fighters who are on leave of absence without pay are not entitled to holiday pay or credit for such pay.

7.03 Schedule of Vacation and Holiday Shift Time:

- a. For fire fighters assigned the three platoon shift, time off for vacation and holidays shall be administered in accordance with the following schedule:

Days in this section shall mean calendar days.

Years of Continuous Service	Vacation Days	Holiday Days	Duty Shifts Off
After one year	7	17	8

After seven years and for each year thereafter, up to and including the 12th year	21	17	13

All requests for pay in lieu of time off shall be filed no later than October 5 of the year prior to the calendar year in which the vacation is to be taken. Requests shall be granted on the basis of seniority and funds available.

- c. **Weekend Holidays:** In the event any of the above mentioned holidays fall on a Sunday and the same is officially observed on the next succeeding day, a "holiday" as used in this contract shall apply to such succeeding day of observance.

However, any fees received by said fire fighters for jury service on City time, exclusive of mileage and meal allowance, shall be turned into and given to the City. Whenever a fire fighter is absent from duty due to jury duty, this time away shall not result in the loss of earned F.L.S.A. overtime pay.

7.06 Leave Without Pay: Leave of absence without pay for fire fighters may be granted to them by the City Manager upon the recommendation of the Fire Chief, but such leaves shall be limited to periods not exceeding thirty (30) calendar days.

- a. **Certification:** No leave of absence shall be granted except upon written request of the fire fighters. Whenever granted, such leave shall be in writing and signed by the City Manager and a copy of the leave, so approved, filed with the Human Resources Manager.

Family is defined as mother, father, sister, brother, spouse, son, daughter, stepparents, half brother, half sister, or stepchildren, and grandparents and grandchildren.

Any additional time off desired by the fire fighter due to such a death may be taken as sick leave upon approval of the Fire Chief.

In the event there is someone else living in the fire fighter's household who is dependent on the fire fighter for support, that person shall be considered part of the family of the fire fighter when granting sick leave if dependent status is documented by any relevant state or federal laws or regulations, or by a method satisfactory to the Fire Chief.

- a. **Accrual:** For each completed biweekly period of service, all fire fighters working a 40 hour week shall accrue .462 days of sick leave with pay per pay period. Such leave is earned as long as a fire fighter is not on leave without pay basis. Fire fighters assigned to a three platoon system shall accrue .577 days of sick leave per biweekly pay period.

Sick leave shall accrue during the period of sick leave with pay.

- b. **Charge:** Paid sick leave for fire fighters shall be charged on an as used basis.

Fire fighters working on a three platoon basis shall be charged with three (3) day's sick leave for each twenty-four (24) hours of duty missed.

Requests for sick leave shall be made in accordance with rules and regulations established by the Fire Chief.

- c. **Certification:** No fire fighter shall receive compensation by reason of sick leave benefits until the Fire Chief has certified the cause of the absence for which sick leave benefits are requested; provided, the City Manager hereby is authorized to adopt rules and regulations concerning the method of recording the cause of absence, verification thereof, and the method of reporting and recording sick leave by the department.

Three platoon personnel claiming personal sick leave over two shifts and eight hour personnel claiming sick leave over two and one-half working days shall be required by the Fire Chief to file a certificate signed by a physician, which states the extent and nature of the sickness or injury and states that the fire fighter was incapacitated for work for the period of his/her absence. The statement is also to indicate that the fire fighter is physically able to resume work duties. - 7.11 Appearance Required by Subpoena:** When an employee is lawfully subpoenaed to appear as a witness before any court, administrative agency or other governmental body to testify for the federal government or its agencies, the state or any political sub-division of the state, the time spent shall be considered as a leave of absence with pay and shall be considered to be time worked for all overtime, including F.L.S.A. purposes, provided the employee is not a party to the proceedings. Any witness fees received by the employee shall be remitted to the City.

Adherence to the above rules will provide coverage without health questions or a medical examination for the fire fighters as well as dependents.

- i. combined total amount of benefits payable by all companies for hospital and medical benefits does not exceed the covered expenses incurred.

- k. Coverage on Leave of Absence Without Pay: A fire fighter can elect to continue coverage while on leave of absence without pay. However, when the leave is in excess of thirty consecutive calendar days, the fire fighter shall pay the total premium cost for the remainder of the period or as otherwise specified in the group insurance plan which is in effect.
- l. Insurance Review: The Union negotiating committee shall be given an opportunity to review any new hospitalization plan before purchase. If the insurance carrier or benefits of the present carrier changes during the year, the resulting changes shall be mutually agreed to by the Union and the City.

ARTICLE X

UNIFORM ALLOWANCES

10.01 The City shall provide new fire fighters with a complete uniform and all protective clothing as prescribed by the Fire Chief. Said provision shall be in lieu of any draw account until the fire fighter has successfully completed the probationary period. Fire fighters failing to complete probation shall return to the City all items furnished under this provision. No charge shall be made to any portion of the uniform allowance for any of these items.

10.02 Fire fighters shall receive a yearly uniform allowance of \$1150 per year (\$725 allowance plus \$425 in cash).

The cash amounts will be paid in equal installments on December 15 and June 15. The City shall replace at replacement cost, outside of uniform allowance, any uniform clothing damaged or destroyed in the line of duty. This shall include glasses, wristwatches and wristwatch bands. Replacement costs for watches shall be limited to actual value but not to exceed \$100.00.

Clothing purchased shall be charged to the City and an invoice of purchase filed with the Fire Chief or his/her designated representative. The filing and the acceptance of an invoice does not alleviate the fire fighter's responsibility for assuring that only authorized uniforms and clothing are purchased with the clothing allowance. Purchase of unauthorized uniform or clothing shall be solely at the employee's expense.

10.03 Uniform Allowance Carryover: At no time shall an individual fire fighter's draw account balance exceed \$850.

10.04 Protective Equipment: The City shall provide such protective equipment except turnout boots as it may require fire fighters to possess for performance of their duties. All items so furnished shall remain the property of the City. Replacement items lost or destroyed through negligence shall be the responsibility of the individual fire fighter.

ARTICLE XI

SAFETY

11.01 The City of Sioux City will attempt to provide the safest possible working conditions for its fire fighters. Compliance with state or federal law or regulation is a complete defense to a claimed violation of this section.

ARTICLE XII

PROBATIONARY PERIOD

12.01 All entrance appointments under Civil Service shall be conditional upon a probation period of twelve months during which time the appointee may be removed or discharged from such position by the appointing person or body without the right of appeal to the Civil Service Commission or the grievance procedure set forth in this Agreement. The reasons for the dismissal shall be set forth in writing and given to the fire fighter.

ARTICLE XIII

PERSONNEL FILE

If, upon examination of the files, an employee objects to the material in the files, he/she may furnish a statement to be included with the material in question. Such statement shall be retained with the file as long as the subject matter of dispute remains in the file.

Personnel investigations that result in exonerated, unfounded, or not sustained dispositions shall not be made a part of the employee's personnel file. When any adverse material relating to a fire fighter's conduct, including oral and written reprimands, is placed in that fire fighter's file or files, it shall be signed by that fire fighter or the fire fighter's refusal to sign shall be noted on

the document, and the fire fighter shall receive a copy of the material prior to its placement in the file. The signature of the fire fighter only indicates acknowledgment that the fire fighter has received a copy of the material and does not indicate the fire fighter's agreement with the contents of the documents.

Oral or written reprimands will not be available to be used as evidence after a specific period of time as determined by the Fire Chief, which shall be noted by the Fire Chief on the documents which are to be placed in the fire fighter's file. However, the reprimand will not be available to be used as evidence only if the Fire Chief deems the employee has shown improvement.

ARTICLE XIV

GRIEVANCE PROCEDURE

16.01 **Definition:** A grievance shall be defined as a dispute or disagreement raised by a fire fighter or the Union involving the interpretation or application of the specific provisions of this Agreement. With respect to departmental orders, a fire fighter or the Union may grieve only as to the inequitable application of said order and not the content thereof, except the right to grieve on the content of an order on the basis that it is arbitrary or capricious shall not be abridged. The right to issue departmental orders shall not be the subject of a grievance unless said right has been abridged by a specific provision of this Agreement. It is specifically understood that any matters governed by the Civil Service Commission rules or Civil Service statutory provisions shall not be considered grievances and shall not be subject to the grievance procedure set forth herein. Further, any disciplinary actions which may be appealed to the Civil Service Commission shall not be considered grievances and shall not be subject to the grievance procedure herein. Grievances, as herein defined, shall be processed in accordance with the procedure set forth in Section 16.05 below.

16.02 Any fire fighter may process a grievance as outlined in this article and shall have the right to representation by the Union in conferences with the City. The fire fighter and the Union shall receive copies of the written decisions issued by the City at each step of the procedure. The Union shall have the right to be present at all steps of the procedure after the grievance is reduced to writing.

16.03 Unless the parties mutually agree otherwise, the final resolution of all grievances by an arbitrator shall be binding upon the City, all fire fighters and the Union and shall be precedent in the resolution of future grievances involving substantially similar factual situations.

16.04 **Fire Fighter Release:** Three representatives of the Association shall be permitted time off from their duties without loss of pay to attend and/or participate in the procedures under Steps 4 and 5 of Section 16.05. Requests for said release shall be filed with the Human Resources Manager up to three (3) days prior to the hearing date.

16.05 **Procedure:** All time limitations in this grievance procedure shall exclude Saturdays, Sundays and holidays and may be extended by mutual agreement of the City and the Union. Reference to "days" hereinafter shall mean calendar days. In the event the employer does not respond within the time limits set forth, the Union may appeal the grievance to the next step.

Step 1. A fire fighter, with or without a representative of the Union, who has a grievance, shall orally present his/her grievance to an Assistant Fire Chief within five (5) days of the occurrence of the alleged grievance. The Assistant Fire Chief shall respond to the fire fighter within three (3) days of the oral grievance.

Step 2. The grievance shall be considered resolved unless within five (5) days of the receipt of the response at Step 2, the fire fighter and/or his/her authorized Union representative submit a written appeal to the Fire Chief or his/her authorized representative through the Assistant Fire Chief. The Fire Chief or his/her authorized representative shall respond in writing to the grievant within five (5) days of the receipt of the grievance.

Step 3. The grievance shall be considered resolved unless within five (5) days of the receipt of the response at Step 2, the fire fighter and/or his/her authorized Union representative submits a written appeal to the City Manager. The City Manager shall hold a hearing within five (5) days of the receipt of the appeal. The fire fighter, the Union and the Fire Chief shall have the right to be present and to set forth information to assist the City Manager in reaching a decision on the

grievance. Said decision shall be issued within five (5) days following the completion of the hearing.

If the City's decision in Step 3 is not appealed by the Union to arbitration in writing within twenty (20) days of the Step 3 meeting, that particular grievance shall be considered settled on the basis of such decision, and shall not be eligible for further appeal.

Step 4.

- (1) Any grievance that has been processed in accordance with provisions of this Section of this contract, but not satisfactorily settled shall, upon proper appeal, be submitted to arbitration before an impartial arbitrator to be selected by mutual agreement of the parties. If, at any time within twenty (20) days (or longer period if mutually agreed upon) after receipt of such written appeal, the parties are unable to agree upon an arbitrator, the Iowa Public Employment Relations Board shall be requested to submit the names of five (5) disinterested persons qualified and willing to act as impartial arbitrators. From such list, the City and the Union shall each alternately strike one name until four (4) names have been eliminated and the person whose name remains on the list shall be selected to act as the impartial arbitrator. A coin toss shall determine who shall strike the first name. In order to be considered timely, a hearing regarding a grievance which is appealed to arbitration must be scheduled no later than sixty (60) days from the date that the grievance was appealed to arbitration.
- (2) The arbitrator shall submit his/her decision, in writing, within thirty (30) days after the conclusion of the hearing, or hearings, as the case may be, and the decision of the arbitrator so rendered shall be final and binding upon the fire fighter involved and upon the parties to this contract. Where a dispute relates to the scale of wages or benefits in any way, any decision rendered shall not be retroactive more than twenty-four (24) days beyond the date on which the dispute was first presented as a grievance in writing. The fees of the arbitrator and expense of arbitration shall be borne in equal shares by the City and the Union. Each party shall be responsible for expenses they incur in the presentation of their case.

The arbitrator shall neither add to nor detract from nor modify the language of this Agreement in arriving at a determination of any issue that is presented that is proper for arbitration within the limitations expressed herein. The arbitrator shall have no authority to change wage rates or salaries. The arbitrator shall expressly confine the decision to the precise issues submitted for arbitration and shall have no authority to determine any other issue not so submitted or to submit observations or declarations of opinion, which are not directly essential in reaching the determination of issue submitted for decision.

No issue whatsoever shall be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place following the effective date, and no arbitration determination, or award shall be made by an arbitrator which grants any right or relief for any period of time whatsoever prior to the effective date of this Agreement or following the termination of this Agreement. The above shall not apply to arbitration in process at the termination of this Agreement.

ARTICLE XVII

17.01

- a. Seniority shall be determined by the employee's length of service as an employee in the Fire Department. Time spent in the armed forces on military leaves of absence and other authorized leaves and time lost because of duty connected disability shall be included.
- b. An employee shall forfeit his/her seniority rights only for the following reasons:
 - (1) He/she resigns.
 - (2) He/she is dismissed and not reinstated.

- e. A seniority list updated annually showing the names, length of service dates and rank shall be maintained for inspection by members.

ARTICLE XVIII

AMENDMENT PROVISIONS

- 18.01** This Agreement is subject to amendment, alteration, or addition only by a subsequent written Agreement between and executed by the City and the Union where mutually agreeable. The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

ARTICLE XIX

SAVINGS CLAUSE

- 19.01** If any article or section of this Agreement or any addendums thereto should be held invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any article or section should be restrained by such tribunal, the remainder of this Agreement and addendum shall not be affected thereby and this Agreement and addendums shall remain in full force and effect and the parties shall enter into immediate collective bargaining negotiations for the purpose of attempting to arrive at a mutually satisfactory replacement for such article or section.

ARTICLE XX

TRANSFERS

20.01 A fire fighter may request a transfer from one station to another. In the event such transfer is not authorized, the Fire Chief or his/her designated representative shall advise the requesting fire fighter of the reason said transfer was not authorized. Denial of a transfer or the reason for a denial shall not be cause for a grievance.

Fire fighters who are being transferred from a permanent assignment to another permanent assignment shall be notified by the Fire Department in advance of the transfer before or during the fire fighter's last 24 hour working shift.

ARTICLE XXI

TRADING TIME

21.01 The City will permit each fire fighter having completed the requirements of the probationary period, the right to secure another fire fighter for the purpose of exchanging equal time provided:

- b. In the case of a request to trade more than twelve (12) hours, the chief officer in charge of one of the platoons is notified not less than four (4) hours prior to its becoming effective. In the case of a request to trade less than twelve (12) hours, the chief officer in charge of one of the platoons is notified prior to its becoming effective. Application for trades shall be made according to procedures established and posted by the Chief. Once approved, a trade shall not be disapproved.
- c. Neither the Department nor the City is held responsible for any aspect of the trade. Responsibility for completion of any trade rests solely with the fire fighter involved in the trade. Said responsibility shall be defined as follows:

The fire fighter agreeing to replace another fire fighter under this Article shall be deemed responsible for assuring that the trade is completed.

Complete shall mean that a qualified fire fighter is on duty for the period of the trade and that no fire fighter involved in the trade shall be permitted the use of any paid leave provision of this Agreement for the period of the trade.

Should the responsible fire fighter not fulfill his/her obligation of the trade, said fire fighter shall owe the City an equal period of duty time. Said duty time shall be scheduled by the Chief to meet the needs of the City within one year from the date of the trade.

- d. It is understood that a fire fighter's first responsibility is to his/her position with the City; provided further no trade of time will be granted when non-recurring schooling or training is scheduled, unless authorized by the Fire Chief for emergency situations under paragraph f. Examples of non-recurring schooling are: pit fires, and emergency medical training.

- e. The substitution may be made if the substitute is approved by the Company Commander and the Assistant Chief in charge of the platoon.
- f. No such trade shall be denied in the event, in the opinion of the Fire Chief, an emergency exists which requires the fire fighter to make the trade.

21.02 Fire fighters serving their probationary period shall be permitted up to three (3) trades during said period following the completion of six (6) months service of the probationary period unless otherwise authorized by the Fire Chief for emergency situations.

21.03 Trading of time will be limited to twenty (20) complete trades per year. A fire fighter working for someone or asking someone to work for him/her, the pay-back of time is a complete trade of time for each fire fighter.

Two times during the year, a fire fighter may request a trade of three, four or five consecutive shifts for vacation purposes. A fire fighter may request up to four complete shifts to be attached to a vacation period either all before or after or split in half with two before and two after.

Any exchange in excess of twelve (12) hours will be considered, in computing the number of trades, as a complete trade.
